

## N2Power, a Subsidiary of Qualstar, Awarded Multiple Orders Totaling \$0.6 Million, From Existing Gaming Customer

Simi Valley, CA (USA) July 25, 2017 – [Qualstar Corporation](#) (NASDAQ: QBAK) announced today that [N2Power](#), a subsidiary of Qualstar and, an industry leader in the design and manufacturing of compact and highly-efficient power supplies, was recently awarded new orders totaling \$0.6 million from an existing prestigious gaming customer. The orders are expected to ship over the next five months. [N2Power](#) provides standard, semi-custom and custom power solutions for OEM's in various markets worldwide.

“Our customers recognize the high quality and exceptional service they receive when partnering with N2Power. We have long term highly successful relationships with many customers supporting their diverse business needs,” said Randy Johnson, N2Power’s Director of Sales.

“N2Power has a long track record of providing superior power solutions. We pride ourselves on delivering standard and custom power solutions to meet our customers’ specifications, giving added value at competitive pricing,” said Steven N. Bronson, Qualstar’s Chief Executive Officer.

For additional information regarding N2Power power supplies, call Shelley Urbina at 805-583-7744 x122. Check our website [www.n2power.com](http://www.n2power.com) for authorized distribution partners.

### **About Qualstar Corporation**

*Qualstar, founded in 1984, is a diversified electronics manufacturer specializing in data storage and power supplies. Qualstar is a leading provider of high efficiency and high density power supplies marketed under the N2Power™ brand, and of data storage systems marketed under the Qualstar™ brand. Our N2Power power supply products provide compact and efficient power conversion for a wide variety of industries and applications including, but not limited to telecom, networking, broadcast, industrial, lighting, gaming and test equipment. Our Qualstar data storage products are used to provide highly scalable and reliable solutions to store and retrieve very large quantities of electronic data. Qualstar’s products are known throughout the world for high quality and Simply Reliable™ designs that provide years of trouble-free service.
